

The Three Little Pigs

The three little pigs lived with their mum.

The house was too small for them.

And the three little pigs not wanted live together.

Their mum gives them some money.

She says: buy some bricks and build a nice

And the three little pigs put to work.

The first pig bought a lot of ice cream and sweets.

So he could only buy straws for his house.

The first pig took little time to do the house.

And next he played a lot of time.

The second pig bought a big pizza.

He could only buy sticks for his house.

The second pig took some time to make his house.

And then he slept some time.

The third pig saved all the money.

He could buy bricks for his house.

The third pig worked so hard.

A big hungry wolf lived in the forest

He saw the house of straws

The wolf knocked on the door.

Who is it? asked the first pig

The wolf says: I am your mum.

But the pig says: No, you are not my mum.

You are the big bad wolf. Go away!

The wolf was strong and the house was very weak.

He could blow the house down.

The first ~~and second~~ pig runs to the ^{second} third pig.

Quick! Open the door!

The big bad wolf wants to eat me!

The wolf saws the house of sticks.

He knocked on the door.

And he says: I'm going to ~~come~~ eat.

But the two little pigs said: Go away, big bad wolf!

The wolf was strong and the house was weak.

He could blow the house down.

The first and second pigs run to the third pig.

Quick! Open the door!

The big bad wolf wants to eat us!

They all hid in the third house.

The wolf saws the house of bricks.

He knocked on the door.

But the three little pigs said: Go away, big bad wolf!

The house of bricks was very strong.

The wolf blows and he blows.

But he couldn't blow the house down.

The wolf looked up and he said:

Aha! I have a good idea!

He climbed up the roof and down the chimney.

But he fell into a pot of hot soup.

The wolf ran away and the pigs were very happy.

The third pig gave some money to his brothers.

And the first and second pigs learnt the lesson.

The pigs sang and danced. They had a big party.
